Race-Sex-Truth

Dr Adrian Krieg
Revisionist history of our age. The real facts relating to, Race, Sex and Truth. Not the sop you have been fed in school and college by academics that real fact about the people who financed wars, enforce PC, and about those who tell you the truth of it

Invasions - Documented Historical Relevance

Dr Adrian Krieg
We live in bizarre times, our government is incapacitated, and the Dems manage more congressional investigations on inconsequential non-issues than we can keep up with. Obamacare, Tax Reform, Corporate Tax Reduction, all of which would stimulate the economy and create more jobs, is not even on the congressional horizon.
